

Trinity Labradoodles Puppy Contract

The Buyer shall keep the dog as a household pet.

The Buyer shall provide the dog with an adequate food, fresh water, shelter, affection, and medical care upon sickness, disease, or injury. Maintenance should include an annual health exam and routine vaccinations as recommended by a board-certified veterinarian. Humane care and maintenance in accordance with all current and future state, county, and municipal laws and ordinances where the Buyer resides. A fully fenced yard or other humane means of exercise. The dog shall not be kept chained or constantly outdoors. A collar and identification tag and/or microchip. Never permit the dog to roam unattended.

- The dog shall reside with the Buyer.
- The Buyer shall notify the Breeder immediately if the dog cannot be kept by the Buyer.
- The dog shall not be sold, transferred, or given to any individual or to any retail or wholesale establishment for the purpose of sale or resale to the public or to any research institution where medical experimentation or other practices take place.
- The Buyer and Breeder agree to keep each other informed of their current addresses.
- The Buyer agrees that it is the Buyer's responsibility to accept the dog as described. The Breeder has provided and the Buyer has acknowledged a full disclosure of the health, habits, and temperament of the dog. The dog's health records, from St. Francis Veterinary Care, can be supplied at time of purchase.
- The Buyer shall have two months from the date of this Contract to return the dog for a full refund of the purchase price, unless the dog has been injured or harmed.
- After two months and for the life of the dog, the Buyer may return the dog to the Breeder at any time and for any reason.
- The Buyer agrees to sign the necessary papers to return the Breeder as sole owner of the dog in the event the dog is returned.
- If the dog is sold to the Buyer as a pet, he or she may be neutered or spayed by 10 months of age if the Buyer wishes. The buyer will act reasonably to prevent breeding of the dog. If there is an accidental breeding of the puppy, a \$1,000 fee shall be paid to Allison O'Grady within two weeks of the puppy giving birth or siring a puppy.
- If the dog is sold to the Buyer as a breeding dog, he or she will have any mate gene tested and hip and elbows checked with x-rays. If their dog has a merle gene, it will not be paired with another dog with a merle gene. If they have not already paid for breeding rights, \$1,000 shall be paid from the Buyer to Allison O'Grady within two weeks of the puppy giving birth or siring a puppy.
